HAPPY BIRTHDAY

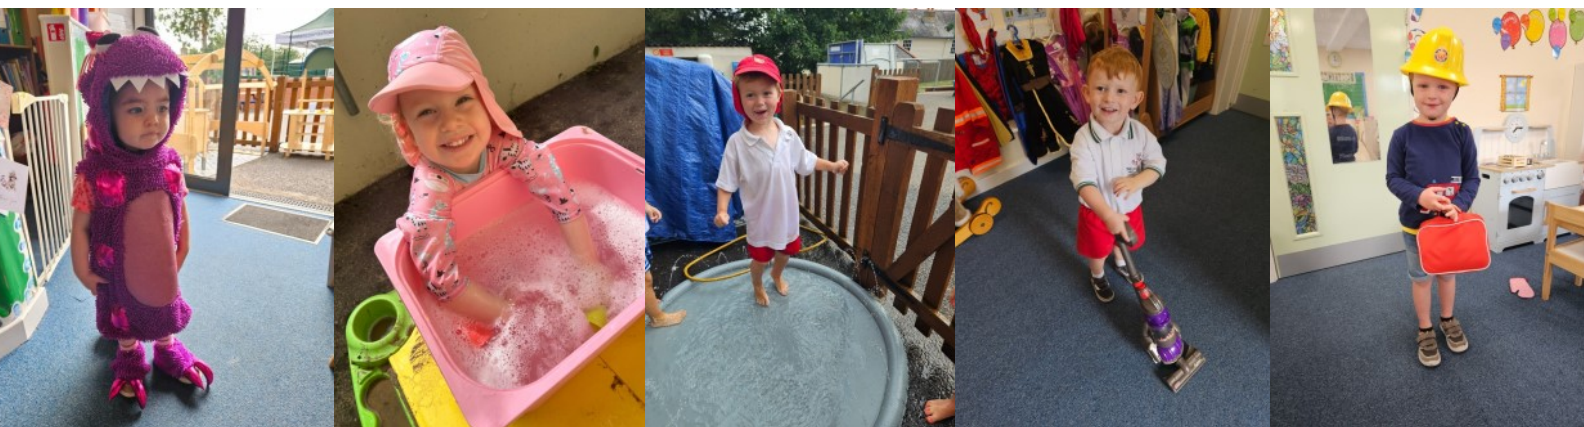

Dear Parents,

The time has come to write the final newsletter of the year and what an excellent year it has been for everyone at Maldon Court. Words can't really express how proud I am of everything that our school has achieved this year. We have been awarded Excellent and Outstanding Inspection results which is, of course, our highlight of the year. We are delighted that our school has been awarded this and that we have been externally recognised. However, to me, above and beyond what an inspection report says, the most important thing is that our children are happy in school. Primary school life flies past in the blink of an eye. All I want and all the staff at Maldon Court want, is for the children to enjoy these incredibly important years in their life. The children have fun at school, they love being with their friends and they love learning. I am so lucky to be part of this each and every day. Hearing the children's laughter and enjoyment at school, for them to greet me so beautifully on the gate every morning and for them to be so proud of their school means more to me than anything else. The children are the fabric of our school and they are the ones that inspire our school to be the very best it can be.

Today, we celebrated our Prizegiving Ceremony at All Saints Church. We pride ourselves on this lovely event and how well attended it is. The children (and parents!) looked so smart. It is always such a special morning and today was no exception. It is events such as this that make me in awe of how lucky we all are to be part of such a wonderful community. I would like to congratulate each and every child in the school for making Maldon Court the school that it is – every child brings something unique and special to the school.

Finally, I would like to thank you all for another happy, successful year at Maldon Court. I wish you all a lovely summer and I hope that you enjoy time with your friends and family. I look forward to seeing you all in September.

NURSERY - Nursery have had a lovely last week of term. All of our activities have been chosen by the children throughout the week. We have enjoyed water play, sensory play, the parachute, dressing up and today we finished with a movie morning. The children experienced watching and hearing popcorn popping in the microwave. They then enjoyed watching a selection of their favourite stories whilst they ate their popcorn. We hope you all have a wonderful summer.

FORM 5 - Form 5 have had a blast this week in their learning. On Monday we took to the courts, debating the pros and cons of deforestation. Judge Mays kept order and after an intense verbal battle, the 'for deforestation' team won. I was so impressed with the persuasive and passionate arguments the children put forward. On Tuesday we launched our own version of The Apprentice; making 'washing machines' for profit. The children had to purchase all the equipment using counters, devise a business strategy and use their best selling skills to maximise the profit of their products. They had so much fun they elected to do it all over again on Thursday. A brilliant end to the term- well done Form 5. Mrs Warman

SEWING CLUB - This was the last week of the Sewing Club and nearly everyone was able to finish their bag projects, I think you will agree that the children did a fantastic job. They had free rein with their designs and how to execute them, Mrs. Baron was just there to thread needles, tie knots and sort out any problems; sewing both sides of the bag together was difficult to avoid.

FORM 6 - On Tuesday Form 6 attended their final sporting fixture of the year. They competed against 5 other teams in a friendly Rounders Tournament. The children soon got into the swing of the game and played excellently. Overall they finished 2nd and enjoyed a well deserved ice pole from the event organisers. Well done Form 6, it has been a pleasure as always to watch your determined passion to succeed. We are so proud of you and will miss you next year.

FOMCS - Dear Parents. We hope your children have enjoyed their final week before the summer break. Our ice poles event went down a storm and we £50 raised for our school! Thank you to everyone for supporting this event and for the positive feedback following it too - we will definitely run this again. We would like to take this opportunity to wish all our Form 6 children all the best as they leave Maldon Court for the next chapter of their lives and hope you all have a wonderful summer holiday with your families.

Mrs Tsai and Mrs Jeffrey.
