a very Happy Birthday

Dear Parents,

What a successful week we have enjoyed at Maldon Court. On Tuesday after school, our Maldon Court Athletics team entered District Sports....and we won! To say that I am proud is an understatement. The children put on an exceptional performance to beat all of the other schools in the district. They really did run their hearts out and deserved this outstanding result. A huge congratulations to all children and thank you to parents for coming along to support them. Well done to Mr Coyle and Miss Broadbridge who continue to maintain our excellent standard of sport throughout the school.

This week, we have also been busy with our ESB exams for children in Forms 2 and 3. The children were all so well prepared and I am sure that they will have done themselves proud. I look forward to hearing their results. I would also like to thank Mrs Deakin who is retiring from teaching ESB at the end of this academic year. She has been teaching ESB for so many years now at Maldon Court and we will really miss her – she has shown true dedication to all of the children and we are very grateful.

On Wednesday, our Forms 4, 5 and 6 children went on a school trip to Essex Food and Farming. In what was a very busy and well attended event, the children all had a fantastic time, learnt lots of great facts and even brought back some vegetables for their families to enjoy. Well done to all children as they behaved impeccably as always.

Finally, I am really looking forward to Sports Day tomorrow. It is always such a fun and well organised day. I hope to see you all there cheering on your children and your houses.

HEADTEACHER'S AWARD - Congratulations to Jessica Strong who won the Headteacher's Award this week for showing resilience and independence in maths lessons and an amazing improvement in her spellings this year. Well done Jessica. Ronnie was also awarded a Bravery award, well done Ronnie

NURSERY - Nursery have had another lovely week enjoying our being healthy and physical topic. We have been discussing the benefits of eating a range of fruit. The children played a game where they had to tell us their favourite fruit. They then created a collage picture of the fruit for their Learning Journey. Next week, we have a new topic – Bear Week. This will lead to our Teddy Bears Picnic, which takes place next Friday. For optional homework, please send a photo of your child cuddling their favourite bear.

Mrs Kim Callaghan

PRE-RECEPTION - After having the caterpillars with us over the last few weeks, this week it was time to release the butterflies. We had 8 butterflies in total and the children have been truly mesmerised by the life cycle process, they have enjoyed watching changes happen over the past few weeks. Having the caterpillars with us have really helped the children with their learning on our life cycle topic and each children can now confidently tell you the life cycle of a butterfly which is fantastic. Pre-Reception miss them already!

DISTRICT SPORTS RESULTS - Once again, we are incredibly proud of our Maldon Court Athletics Team, as this week, they competed at the Maldon Schools Partnership Track District Sports at Heybridge School. Schools from across the Maldon District sent athletes to compete against each other in 3 track events; sprint, 400m and 4x100m relay. It was a great afternoon of track athletics with every child pushing themselves to try and achieve placings in the top 3. We are thrilled to announce that our Maldon Court team finished in 1st place overall! This is an outstanding achievement and we are so very proud of you all. Well done Maldon Court!

FORMS 4, 5 AND 6 - On Wednesday, Forms 4, 5 and 6 went on a trip to the Essex Food and Farming at Writtle College. The trip offered a wide range of information about the importance of wildlife and agriculture. We all enjoyed tasting chocolate milkshakes, crisps, vegetables and jam. Our most memorable experiences were the sheep show, meeting the animals and eating lots of food. We learnt a platter of new information, this is one of our favourite trips.
