TUESDAY 25th JUNE
ESB examinations

FRIDAY 28th JUNE
SPORTS DAY
No ASC or CLUBS

Dear Parents,

Firstly, I would like to say thank you to everyone for supporting our Open Day on Saturday. The children performed so well and were a credit to the school. Despite the rain, there was a superb turn out from both our current parents and prospective parents. Well done to all children and to the staff for ensuring that the day ran so smoothly.

On Wednesday, Form 2 performed their class assembly to the rest of the school and their parents. We all certainly learnt a lot about the Great Fire of London and it was a very informative and interesting assembly. Thank you to Mrs Dickinson and Mrs Huett for their help in organising the assembly and to the parents for coming to support the children.

Times Tables Rockstars is continuing to prove a fantastic hit with the children and staff alike. Thank you for all of your support with this initiative as it does make a big difference. Everyone has been trying to get the best time that they can and also challenging their class mates, family and friends. Keep up the competitive spirit everyone!

HEADTEACHERS AWARD - Congratulations to Vincent Lower in Form 2 who won the award this week for his outstanding progress in all subjects. Well done Vincent.

FOOD HYGIENE CERTIFICATE – I am delighted to inform you that our kitchen team, Miss Reeves and Miss Crockett have maintained the excellent standards that we have in our kitchen and have again been awarded a 5 star food hygiene rating in our latest inspection by the Food Standards Agency. Congratulations to our kitchen staff for their hard work and commitment.

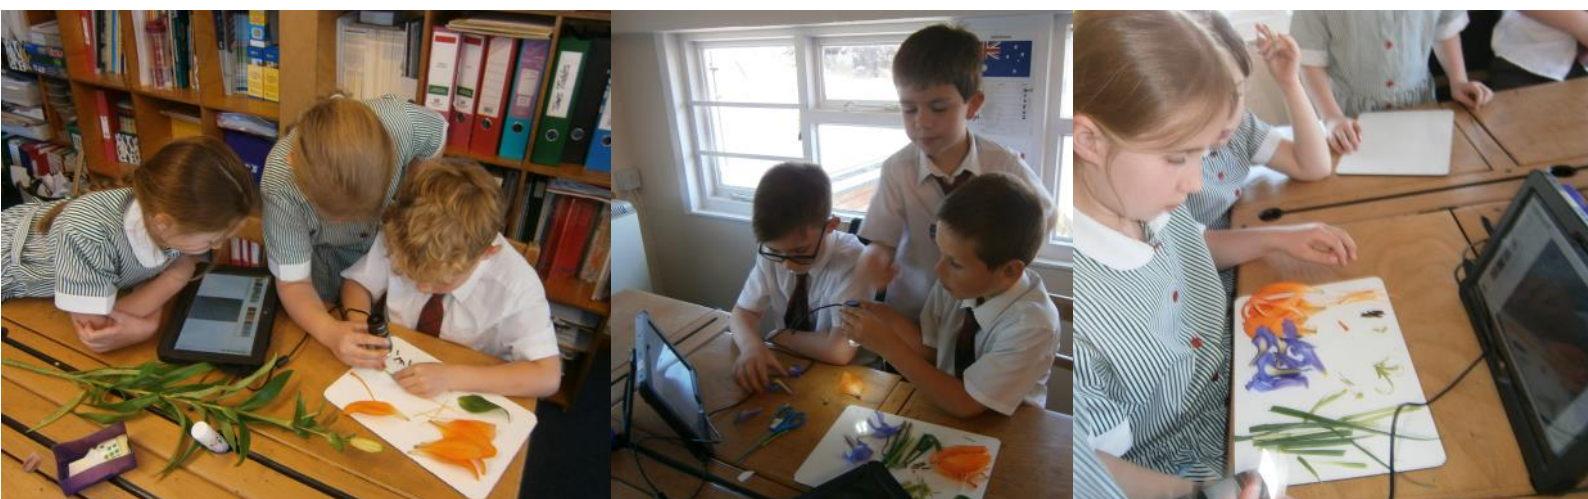

NURSERY - This week, Nursery have continued with the topic, Under the Sea and Water and have been taking full advantage of the lovely weather by enjoying extended outside play. We have also enjoyed doing some 'under the sea' yoga! Next week our topic is Shapes and Numbers. For optional homework, please complete the worksheets that we will be sending home this week.
Mrs Kim Callaghan

FORMS 2 - This week Form 2 had their class assembly, where they chose to perform 'The Great Fire of London'. They worked hard on their clear, fluent reading and demonstrated their great performing skills. They really enjoyed acting to the whole school and we were all impressed with their beautiful singing and how they remembered a whole story.
Mrs Dickinson

FORM 3 - In Science, Form 3 are studying plants. They are currently carrying out an investigation to see what plants need to grow well and are observing any changes that occur. This week they have also been looking at the parts of a flower and their function. They have dissected flowers to find the different parts needed for pollination and fertilisation and looked more closely at them using the digital microscopes.
Mrs Baron

FORM 6 PGL TRIP - The children have been busy from the minute they stepped off the coach on Monday, they played 'Ninja Squirrels' which is very tactical version of hide and seek. The children have enjoyed a game of aeroball, this is a thrilling game combining trampolining and goal shooting. They have been climbing, zip lining as well as several team building sports games. Each evening they have enjoyed a hearty dinner followed by singing songs around the camp fire. Please see the school website for more commentary, photo's and video's

WARMER WEATHER - With the lovely spring weather that has finally arrived we kindly ask you to apply sun- cream to your children before school. Children must have a legionnaires hat at school to wear or they will not be permitted to play outside. If you do need to purchase a hat these are available in the school office for £7 each. All Nursery and Pre-Reception should have a named bottle of sun-cream brought into school to re-apply through the day. Thank you for your co-operation.

Have a lovely weekend
Mrs E Mason
Headteacher
