Dear Parents,

Thank you to everyone for supporting our Jeans for Genes day today – we will let you know how much was raised next week. On Tuesday in our celebration assembly, children were presented with their summer holiday reading challenge certificates. Well done to those children that participated.

Headteacher's Award this week was presented to Darcy Ephgrave in Form 3 who won it for being a fantastic friend to children in her class.

A Cool to be Kind award was presented to India Fisher in Form 2 for being very thoughtful to another girl in her class. Well done to both girls.

I would like to wish all the children taking the 11+ tomorrow the best of luck with their exam.

SCHOOL COMMITTEES - Last week, children decided who they wanted as their School Council, Eco Schools and Healthy Schools representatives. To win these positions, children had to present to the rest of their class as to why they think that they should be chosen and what they could do to improve the school by being on these councils.

Our new School Council members are: Jenson Randall, Lorelai Bamgboye, Anna Barnett, Max Mason, Florence Fenton, Rhys Hull, Aden Kamiri, Kate van Stolk, Giselle Kitasoboka, Benjamin Philips, Sarah van Stolk and Nievah Williams. Eco School representatives are: Tatum Fleming, Elijah Hawes, Harry Mason, Harry Dibben, Harry Scott, Harrison Farr and Milly Craddock. Healthy Schools representatives are: Emma Mellor, Scarlett Abreheart, Arnold Head, Natasha Adkins, Hudson Williams, George Dibben and Benjamin Hunt. Finally congratulations to Hudson Hammett-Wright and India Fisher who are our KSI librarians.

For your information, both myself and Mrs Bennett will be out of school from Wednesday to Friday next week as we will be attending the Annual IAPS Conference. I leave the school in the safe hands of Mr Coyle and Mrs Dickinson.

FORM 1 - On Wednesday, Form 1 participated in their first science investigation! In Science lessons, Form 1 have been discussing their senses and this week, they explored their sense of smell. Pupils took it in turns to take part in a smelling test. Children had to use their sense of smell to work out hidden foods concealed within cups. All pupils enjoyed working out all of the varying smells! Well done Form 1.

FORM 2 - Form 2 History topic is 'The Gunpowder Plot' and this week the children have been learning about the story and using their acting skills to act out the story. The children performed wonderfully to the class and were very clear. Some children had a narrator and they were very confident retelling the story. Well done Form 2.

NURSERY - This week Nursery have been enjoying the topic All About Me, we have been playing games together to learn about our favourite things. We have also been drawing around our bodies to decorate and display in Nursery. This theme continues next week and our homework is to bring in or email a photo of your child and their family.

Have a lovely weekend.

Headteacher
